

## **To parents of children attending preschool or school in Norrköping.**

The Public Health Agency of Sweden has assessed that the risk of the coronavirus being spread in Sweden is very high. Norrköping Municipality works according to recommendations from the responsible authorities. The aim is for the municipality's operations to be prepared and to be affected as little as possible. All operations are kept updated on the current situation.

### **Stay at home if you are sick**

It is important that children and students stay home from preschool or school if they are sick. If you or your children are ill with symptoms such as a runny nose, coughing or fever, you should try to avoid meeting other people. This is true even if you only feel a little sick. It is important not to infect others. **Keep children at home if they are sick. This applies to all kinds of sickness.**

**If you suspect that your child has contracted the coronavirus, you should call the medical advice line on 1177.** Evidence of infection includes respiratory symptoms, fever or coughing. If you only have questions about the coronavirus, you should call the national information number, 133 13.

### **How to prevent the spread of infection**

- Wash your hands frequently and thoroughly with soap and water.
- Stay at home if you are sick.
- Cough or sneeze into the bend of your arm.
- Use disposable single-use paper tissues if you need to blow your nose.
- Try to keep your distance from other people and avoid shaking hands.

Information about the coronavirus and links to other authorities are available on [norrkoping.se](https://www.norrkoping.se). The information is continuously kept up to date.
